Dear Keith:

Thank you for submitting a copy of your film, "One Soldier's Story", a documentary about St. Michael Ingram, Jr.

I would like to share my appreciation for the work that you have done on this project, and all of your efforts on behalf of the men and women that have worn the uniform of the United States Military. Good luck in all of your efforts, and much success with Mikie's Minutes.

I appreciate this opportunity to be of service.

Sincerely,

Carl Levin
